

**IN THE SPECIFICATION**

Applicant amends paragraph [0001] to read as follows:

[0010] This patent application claims the benefit of co-pending, provisional patent application of United States Serial No. 60/447,987, filed on February 15, 2003, and titled "TEMPERATURE CONTROLLED, PALLET-SIZED SHIPPING CONTAINER," which is hereby incorporated by reference in its entirety.

Respectfully submitted,

Dated: July 12, 2004
